School Deputy/Torre Annunziata
Fiamma Torrese Volley - Adelaide Salerno

Bring It Promotions LLC and Mizuno Long Beach Volleyball club would like to extend our appreciation to the School Deputy in Torre Annunziata and to Ms. Adelaide Salerno and the entire Fiamma Torrese Volleyball club. Mizuno Long Beach volleyball club visited the school and volleyball club on April 1, 2016, and were greeted to a wonderful visit at the school and Pompeii ruins. Later that night we played a match vs. Fiamma Torrese. We could not have asked for more hospitality and kindness from both the volleyball club and school. It is our hope that we can visit again with more USA teams and one day help host the Fiamma Torrese volleyball club in the USA.

Grazie,

Cory Solomon
